

2020 IEEE International Symposium on Antennas and Propagation and North American Radio Science Meeting

5-10 July 2020 • Montréal, Québec, Canada

<https://2020apsursi.org/>

IEEE AP-S/URSI 2020 | Virtual Symposium Overview

The Virtual Symposium will be held from Sunday – Friday, 5-10 July 2020.

In order to access the Virtual Sessions, you must have a paid registration to the conference.

1. Help Desk Information:

Please direct any questions about access, or the Virtual Conference platform, to IEEE MCE Digital Events:

Brett Houseal at b.houseal@ieee.org and Gudrun Bornschein at g.bornschein@ieee.org.

For questions about registration, please contact registration@2020apsursi.org.

For general conference inquiries, please contact info@2020apsursi.org.

2. Virtual Symposium Access:

The [Technical Program](#) web page includes the links to access each Virtual Session for IEEE AP-S/URSI 2020:

To enter a Session, simply click on the link and enter the Registration Email used for your Conference Registration. **Please note that it must match the email address that you used for your conference registration or you will be unable to access the Session.**

During your virtual conference experience, be sure to utilize the engagement widgets within the online platform. The ON24 online platform for IEEE AP-S/URSI 2020 features two ways to communicate with speakers and other attendees.

- The purple Q&A button allows you to submit questions directly to the presenter. Please ensure you include the paper title or number to which you are directing your question.
- The blue Chat button is an interactive group chat. This will save all of your communications within the chat dialogue.
 - Use this to have a direct conversation with others who are watching the video at the same time, or to simply make a comment.
 - If you are an author in a specified session, please check this group chat every so often to be able to answer any questions asked of you.

3. Supported Browsers and OS:

ON24 is compatible with the following browsers:

Windows 7 or newer	Mac OS 10.10 or newer
Google Chrome v58+	Google Chrome v56+
Mozilla Firefox v53+	Mozilla Firefox v53+
Microsoft Edge Browser v38+	Safari v10.1+
Microsoft Internet Explorer 11	

If you are using an unsupported version of a Windows, Mac, or Linux operating system, you may experience difficulty in viewing and/or listening to the event.

Before you access the event, you should ensure that your browser is configured to stream media. For Audio events we recommend a minimum Internet connection of 128 Kbps. For Video events you will need a minimum Internet connection of 800 Kbps for an optimal experience.
